

Dan Woolaver looks forward to helping make Rush the active, vibrant community that he grew up in. Life long resident of Rush; grew up on Pleasant Drive where parents still reside. Wife: Susan, Daughters: Emily and Megan, Son Charlie.
25 + yrs. a remodeling contractor; BS in Business Management from SUNY Geneseo; Deputy Chairman Rush Conservation Board; Chairman Building & Grounds Committee of St. Joseph's Church
5639 East Henrietta, Tel: 533-9251 e-mail: dvwoolaver@yahoo.com

Committed to improving our Town of Rush:

Improve fiscal responsibility and accountability – in 2010 elected officials voted a 3% raise for themselves at a time when our seniors received no increase in Social Security. We need to find administrative savings as we continue to support our services and employees.

Actively listen to **“all Rush Residents and Business Owners”** for effective land use planning, addressing the needs of farmers and residents interested in protecting our rural landscape and heritage.

Make **“Main Street Our Street”**. Let's revitalize the Hamlet of Rush!

Achieve **Open, responsive and engaging government** with all residents. We will improve communication, keep everyone informed, offer a higher comfort level in participating in meetings, and provide increased access to all town officials.

Let's be better prepared and poised for success where Business, Recreation, Town and Community activities are welcome and can all come together. (*Transportation Museum, Farmers Market, newly acquired BOCES property, increasing future opportunities.*)

**Vote on Tuesday November 8
for Dan Woolaver for Town Board**

**Positive Change, Commitment and Leadership
Endorsed by the Democratic Party and
the Open Rush Government Party**
